Dear Mr. Krasna:

This acknowledges receipt of your 16 August 2019 letter, received in the office of the Information and Privacy Coordinator on 26 August 2019, requesting a status update to your modified request for documents “on” **Project Emporium**. Our records do not indicate that we received a response to our 10 August 2018 letter that requested your agreement to modify the request, therefore, your request (F-2018-00005) was closed. Upon receipt of your status request letter showing that you did previously agree to the modification, we opened a new case to process your request (F-2019-02364). Since we process requests on a first-in, first out basis, we are using the date of your original request, 3 September 2017, for processing.

Our officers will advise you should they encounter any problems, and as stated in prior correspondence, unless you object, we will limit our search to CIA-originated records up to and including the date the Agency starts its search. In accordance with our regulations, as a matter of administrative discretion, there is no charge for processing your request.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Lilly".

Mark Lilly
Information and Privacy Coordinator
